101 DONATIONS...

Our endowment drive is plugging along.
Thanks to all those who have contributed.
Our tally is now \$1232.00 from 13 givers.
We hope that everyone will pitch in what
they can. Thanks, a heap! We re-
established our endowment fund in 2011.

In the beginning we had a little over \$30,000. We have grown the
account to over \$42,000. This is just the beginning for us. Remember
the principal is never to be spent, but the income the principal makes is
available for us to use for expenses related to our lift, capital
improvements and missions.

AND THEN IT OCCURRED TO US...

There is something about that morning coffee time: ideas spin,
conversation flows and sometimes the most obvious thing finally knocks
its way in. That's what happened this last week as we suddenly realized
we could beat the summer heat by air conditioning the chapel. Tom Maas
is considering the options. Deb and Jan are looking into ACs. John Furey
is pitching in. We'll probably have it done by September. Ha!

PASTA TIME WITH YOUR FRIENDS

We've been talking about having a fall pasta dinner fundraiser. What
would we serve? When would we have it? And how would we get the
potential tomato stains out of our new, branded aprons? These are
things we would all like to know and you can have some input. Please
come on July 30th. We'll worship in the Parish House and then pasta time
with one another. Our lunch collection will be divided between our parish
and an outside mission.

A CHUCKLE FROM THE STELTERS....

Why did the right angle go to the beach? IT WAS NINETY DEGREES!
